Highlight of the week

Class 1:

We had a great time exploring with all the Rosh Hashana foods and writing "shopping lists". We also designed magnificent honey dishes for our Rosh Hashana table.

Class 2:

We discovered that the holiday coming up has 3 more names in addition to Rosh Hashana.

We also learned about the Shofar and each had a turn to blow one.

Class 3:

In addition to the more common customs of the holiday, we studied about the Tashlich custom and each got our very own goldfish.
